CONTRACT & PRODUCTION CALENDAR

Use this calendar for an overview of our contracting, harvest, and production time frames to assist with your planning.

Contract:

Planning is key, contact your FID sales manager or representative to discuss forecasting, supply, timing, quality certifications, and pricing for your application needs.

Harvest:

Our growers work around the clock to monitor and select vegetables at the peak of freshness to maintain the highest quality in color, texture and nutritional value.

Production:

Freshly harvested vegetables are delivered to our facility for production.

Harvest, production schedules, and availability are subject to change due to weather changes and other factors.
